LINDA WARBURTON

It has been a joy to meet many of you year after year at my Living Books table at the Scan Centre bazaar. This time, however, purchases will need to be done online by working with the web-site, and contacting me to place your order. Following are directions:

1) Go to www.livingbooks.ca (based in Borden, Sask.) and click on 'Products' tab which will lead you to main catalogue and some additional ones. The main catalogue is featured, and its pages move through young children's, junior, teen readers' titles, followed by fiction, devotions, gifts and Bibles. The price list is a separate file you will see arranged by page numbers matching the catalogue. It shows up in a line under the main catalogue. Don't miss the separate little Christmas catalogue which includes books for young and old, also boxed cards.

2) E-mail me your product title(s), and catalogue page number, total your order and add 5% GST. Be sure to include your name, phone number and e-mail. Once I have received it, I will contact you about payment, be it e-transfer or credit card number. (E- transfer is easier). My e-mail is twarbu8056@aol.com. My phone numbers are (403) 852-2157 txt/cell or residence at (403) 241-2254. Please feel free to discuss age appropriateness, or recommendations for specific interests! I will make delivery arrangements.

Looking forward to your response, and /or questions.

Many blessings to you and your family this season.

Linda Warburton
