## Volunteers

Ski for Light is a volunteer run organization and would not exist without the numerous individuals in our community who get involved in the different aspects of our organization for the benefit of all.

If you enjoy team work with a diverse and fun group of individuals join us and bring your ideas and skills to the organization. Committees that need your support are Governance, Event, Communications, Fund Raising and Nominations. For more information please contact us at [info@skiforlight.ca](mailto:info@skiforlight.ca).

Please join us as a Blind, Visually impaired Skier, or as Cross country Ski Guide for the annual Ski For Light event in 2023. More detailed information will follow in September but for now save the date in your calendar and tell your friends.
